Ruled to Secy for R. Dn.

The Dy Comm has misunderstood the scope of the Govt order of 31/7/97. It does not interdict the levy a cess of other articles than piece goods. The Board are in favor of levying General cess for the purpose of augmenting the revenue. This proposal seems reasonable and may be carried out.

Letter No. 15/1970/12th May 98 from the Presidt of Municipalities in the Bangalore Dist. Submitting an extract from the Pro: of the Munl Board of Suryapur containing a resolution to levy octroi duty on the marginally noted articles at the rates noted against each in view to recoup the loss of revenue resulting from the abolition of the loom tax sanctioned in Govt Pro: Dt. 1711-21 L.F. 150-96 dy 31st July 97, and requesting sanction to the introduction of duty on piece goods, which alone can be taxed under the Govt Pro: quoted above.

Order thereon No. 16759-60 L.F. 150-96 dy June 98

It is observed that the Presidt has misapprehended the scope of the Govt order of 31st July 97. It does not interdict the taxation of other articles than piece goods. The Board's proposal to tax certain articles for the purpose of augmenting the Munl revenue seems reasonable and is sanctioned.

(2) The Presidt is requested to intimate the date from which the octroi duty above sanctioned will be levied and to submit a supplemental budget showing the revised estimated revenue from each article subjected to taxation and the heads of expenditure required
